Subject: RE: Plea Hearings

Defense counsels in this case will now let us know by next Wednesday (2/18/15) whether they will accept the pleas.

I don't want to jinx myself, but I think they will.

I'm out of town all next without email or phone, so will let you know next Wednesday whether we will be going forward with the plea on Epps and McCrory on 2/25/15.

Thank you for your patience in this matter. See you soon.

-Mike

Mike,

I did discuss with the Judge potential dates for the COP, and he would like to set the hearings for February 25 at 9:30 a.m. Please confirm this setting. Thanks.
